

## Charity Tournament a Success

L.U. 108 (ees, em, es, lctt, mar, mt, rtb, rts, s, spa, t, & u ) Tampa, Florida.

The union's eighth annual golf tournament was held on May 15th. It was a tremendous success and raised over \$20,000. With TECO's generous match, over \$40,000 will go to Tampa General Hospital's burn center. Thanks to all those who attended, and a special thanks to all the sponsors and committee members.

TECO Energy held its shareholders meeting on April 29th. Shareholders expressed concern over the company's continuing financial problems which led to dividend cuts and lost stock value. Senior management was criticized for ill-fated decisions to invest in wholesale power. TECO CEO Robert Fagan focused his remarks on cutting company debt, maintaining dividends, increasing earnings, and concentrating on its core businesses.

Negotiations with WEDU are finished, and negotiations will soon begin with Indian Town Telephone, TAW, and PRECO. Organizing campaigns have started with employees from Citrus World, The City of Leesburg, and Lakeland Electric.
